Section 1: Plan Choice

You understand that your one-time 2nd Election is irrevocable and that you must remain in the plan you chose on page 1 until your FRS-covered employment ends and you retire.

If you selected Option 1 (Page 1): You understand and acknowledge that you have elected to switch to the FRS Pension Plan. You understand that there may be a buy-in cost to make this plan change and that you can find out the buy-in cost by calling the MyFRS Financial Guidance Line and selecting Option 3 to connect to the Division of Retirement. You understand you may be required to pay an additional amount if the buy-in cost is greater than your current FRS Investment Plan account balance. You authorize the FRS Investment Plan Administrator to use any funds in your FRS Investment Plan account to activate this 2nd Election to switch to the Pension Plan. These funds may include prior-career benefits and rollover money in your account. You understand that you have the ability to move your FRS Investment Plan account balance into conservative investment options within the FRS Investment Plan in order to potentially reduce the volatility of your account balance prior to liquidation and movement to the FRS Pension Plan.

If you selected Option 2 (Page 1): (Note: If you are currently a member of the FRS Hybrid Option, you cannot select this option.) You understand and acknowledge that you have elected to switch to the FRS Investment Plan and that any accrued value you may have in the FRS Pension Plan will be transferred to the FRS Investment Plan as your opening account value. You understand that any Pension Plan accrued value transferred to your account will be subject to the 6-year vesting requirement of the FRS Pension Plan. You can find out the accrued value of your FRS Pension Plan account by calling the MyFRS Financial Guidance Line and selecting Option 3 to connect to the Division of Retirement. You understand the initial transfer amount is an estimate and that your account will be reconciled within 60 days of that transfer pursuant to Florida law using your actual FRS membership record. The reconciled amount could be more or less than the estimate you receive and your account will be adjusted accordingly. You are also directing that all future employer contributions be deposited in my FRS Investment Plan account.

If you selected Option 3 (Page 1): You understand and acknowledge that you have elected to switch retirement plans to the FRS Hybrid Option and that the accrued value of your current FRS Pension Plan benefit will remain in your FRS Pension Plan account. You understand that an FRS Investment Plan account will be established to receive all future employer contributions.

If you selected Option 2 or 3 (Page 1): You are authorizing your FRS Investment Plan assets be invested in the FRS Select Moderate Balanced Fund as explained in Section 2, and you understand that other investment funds are available to you. You can change your fund allocations at any time after your FRS Investment Plan account is activated by logging on to MyFRS.com or calling the toll-free MyFRS Financial Guidance Line. You understand that your account will be available at the end of your effective date month. You understand that you should review the Fund Profiles and the Investment Fund Summary at MyFRS.com before selecting any investment funds or submitting this form. You understand that information on investment funds will be provided in electronic format, unless you request hard copies. You understand that the FRS Investment Plan is not designed to facilitate short-term excessive fund trading. Foreign and global investment funds are subject to a minimum holding period of 7 calendar days following any non-exempt transfers into such funds. You understand that you may be subject to trading controls on other funds in the event that you trade excessively. You understand that investment management fees will be deducted from your FRS Investment Plan account. You understand that these fees may change in the future and that funds may be added or terminated. You understand that if any of the funds you select in the FRS Investment Plan are terminated in the future, you will be able to move your assets into other FRS Investment Plan funds prior to termination of the fund. If you do not authorize a transfer, your assets in the terminated fund(s) will automatically be transferred into a designated replacement fund. You understand that if you terminate FRS-covered employment and you are vested in your account balance, you may be subject to a mandatory payout of your account if the balance is \$1,000 or less. If your account balance is more than \$1,000, you will be subject to an account maintenance fee of \$6 per quarter.

You understand that Sections 121.4501(8)(b)4 and 121.4501(15)(b) of Florida law incorporate the federal law concept of participant control, established by regulations of the U.S. Department of Labor under Section 404(c) of the Employee Retirement Income Security Act of 1974. If you exercise control over the assets in your Investment Plan account, pursuant to Section 404(c) regulations and all applicable laws governing the operation of the Investment Plan, no program fiduciary shall be liable for any loss to your account which results from your exercise of control. You understand you can find a description of your rights and responsibilities under the FRS Pension Plan and the FRS Investment Plan in the respective Summary Plan Descriptions, Florida Statutes, and Administrative Rules available through the MyFRS Financial Guidance Line or at MyFRS.com.

SECTION 2: FRS INVESTMENT PLAN FUND SELECTIONS (Review if you selected Option 2 or 3 page 1.)

You have 20 investment options to choose from, including: balanced funds, stock funds, bond funds, a TIPS fund, and a money market fund. **By using this 2nd Election EZ Form, you are choosing to have your employer contributions (including any transfers from the Pension Plan) invested in the FRS Select Moderate Balanced Fund.** This fund is a low-cost, moderate risk investment option that invests in a balanced mix of stock, bond, TIPS, and money market funds. The fund's mix of investments will change over time. You can change your investment fund selection(s) after your account is activated.
