

Online Registration - Changes to Secret Questions

To help improve FRS members' experience in registering/logging into MyFRS.com and provide more consistency, the FRS has deleted the secret questions and answers on file for all members. The next time you login to MyFRS.com you may be prompted (see screenshot below) to select two pre-populated questions from a drop down box and provide single word answers to the questions (we are rolling this change out in stages). If you have any questions, please review the instructions located at the top of the update page in red or call the Financial Guidance Line at 1-866-446-9377, Option 2 (TRS 711).
