Forms are available online at *MyFRS.com* or by calling the MyFRS Financial Guidance Line and selecting Option 1. - **If You Elected Option 1**—You understand, acknowledge, and authorize the following:
 - The Pension Plan is a defined benefit plan, which will provide you with benefit payments at retirement if you meet certain criteria. As of the most recent actuarial valuation date, the FRS actuarial liability exceeded the actuarial value of its assets, yielding an unfunded actuarial liability. This liability may increase or decrease in the future. The Florida Legislature may increase or decrease the amount that you and your employer contribute to this Plan to keep it actuarially funded.
 - There is a buy-in cost to make a 2nd Election. The Investment Plan Administrator will apply any and all funds in your Investment Plan account toward this cost. If the buy-in cost is greater than your current Investment Plan account balance, you will be required to pay the difference. You can find out the buy-in cost by calling the MyFRS Financial Guidance Line and selecting Option 3 to connect to the Division of Retirement.
 - Prior to the liquidation and transfer of your account balance to the Pension Plan, you have the ability to move your Investment Plan account balance into conservative investment options to potentially reduce the volatility of your account balance.
- **If You Elected Option 2**—You understand, acknowledge, and authorize that any accrued value you may have in the Pension Plan will be transferred to your Investment Plan account as your opening balance and is subject to the vesting requirements of the Pension Plan. The initial transfer amount is an estimate and your account will be reconciled within 60 days of the transfer using your actual FRS membership record pursuant to Florida law. You direct that all future employer and employee contributions be deposited in your Investment Plan account.
- **If You Elected Option 3**—You understand, acknowledge, and authorize that the accrued value of your current Pension Plan benefit will remain in your Pension Plan account and that an Investment Plan account will be established for you to receive all future contributions.
- **If You Elected Option 2 or 3**—You understand, acknowledge, and authorize the following:
 - You reviewed the fund profiles, the Investment Fund Summary, and the Annual Fee Disclosure Statement at *MyFRS.com* before submitting your Enrollment Form and before selecting any investment funds.
 - The Annual Fee Disclosure Statement for the FRS Investment Plan provides information concerning the Investment Plan's structure, administrative and individual expenses, and investment funds, including performance, benchmarks, fees, and expenses. Foreign and global investment funds are subject to a minimum holding period of 7 calendar days following any non-exempt transfers into such funds. You may be subject to trading controls on the funds in the event that you trade excessively.
 - Investment management fees are deducted from your Investment Plan account. These fees may change in the future, and funds may be added or terminated.
