KEEP YOUR DROP IN THE FRS

You are eligible to roll over some or all of your accumulated DROP benefits into the Florida Retirement System (FRS) Investment Plan. This option allows you to take advantage of the low-cost investment products offered in the Investment Plan. And, when you decide to take a distribution of your money, you will have multiple options to choose from, including periodic payments, lump sum payments, rollovers, and guaranteed lifetime monthly income (like your Pension Plan benefit).

Before you decide to roll your DROP benefits out of the FRS, you should carefully compare fees to ensure that you are not paying excessive amounts for the same services and investments you can receive for less in the Investment Plan. The following chart compares the investment and administrative fees you would pay for comparable investment funds in the Investment Plan versus the fees charged for other similar mutual funds. Performance over a five-year period is also shown.

Why should you care what fees are charged? Because it's your money that pays these expenses, not your employer's or anyone else's. The fees and expenses come straight out of your investment income. See Investment Expenses and Fees for further information.

Three months before your DROP end date, you will receive a flyer in your DROP termination packet, provided by the Division of Retirement, informing you that you can roll over your DROP funds into the Investment Plan and the availability to receive free guidance from EY financial planners in determining what to do with your DROP payout. If you decide to roll your DROP into the Investment Plan, you must submit the
DROP Selected Payout Method Form (Form DP-PAYT), provided to you in the DROP termination packet (sent by the Division of Retirement), and the DROP Accumulation Direct Rollover Form for Current DROP Members (Form IPDROP-AD-1) to the Investment Plan Administrator. Also, submit an FRS Investment Plan Beneficiary Designation Form (Form IPBEN-1) since your beneficiary designation in the Pension Plan does not transfer to the Investment Plan. Upon receipt of the forms and funds, the Investment Plan Administrator will deposit the DROP funds into your account in accordance with your requested investment allocation on the rollover form. See page 3 for a checklist and pages 4-8 for instructions on how to complete each form.

See the online FAQs for further information on DROP rollovers to the Investment Plan. For general DROP information, see the Division of Retirement’s online DROP page.

Call the toll-free MyFRS Financial Guidance Line at 1-866-446-9377, Option 2 (TRS 711), to get help comparing your DROP rollover options.
